SERVICEMAN'S CORNER:

Hello, fellows. Some of you will remember Alice Peterson, one of the waitresses at the Fountain of Youth. Well, here's a letter she gave me for you fellows which may hand you a laugh:

SOMEWHERE ELSE

Dear Friend:

I sat myself down, pen in hand, to type you this letter. Please pardon the pencil. I don't live where I lived before, because I moved to where I live now. When you come to see me, you can ask anyone, because no one knows. I am very sorry that we are so far together, and I wish we were closer apart. We are having more weather now than lately.

My aunt Nellie died, and is doing fine. Hope you are the same. I started to Korea to see you, but I saw a sign saying "This takes you to Oakland"--so I got up on the sign and sat there for three hours. The darned thing didn't move an inch!

I am mailing you a new coat for Christmas. I cut off the buttons to make it lighter--(p.s. they are in the pockets!)

If you don't get this letter, let me know, and I'll mail it to you. Our neighbor's baby swallowed some pins, but they fed her a pin cushion, so now everything is okay.

I would have sent you ten dollars for Christmas, but I had sealed this letter before I thought of it.

Sincerely,

TWO OTHER PEOPLE.

P.S. Enclosed is a picture of me. But for the fear of losing it, I took it out after I'd sealed the envelope.

Yak, yak, yak. Thought that might hand you a laugh. Guess we could all use a laugh now and then.

My thanks to the five boys who have sent Christmas cards so far. They are Jim Rice, Bob Mink, Larry Jenkins, Don Robertson, and Mansel Roland. Don's has a picture of the U.S.S. REPOSE on it, which is the ship he's serving on, and Mansel's had his own picture on it, in his airforce uniform. Mighty fine looking guy, if I may say so!

We all feel pretty bad around here about Sgt. Keith Johnson's mother passing away. I guess Keith's sister Lola tried for several days to get in touch with him, over there at Peamoom in Japan. Isn't Keith 'way past due to come home? Seems to us he's been over there some three years or so, now.

Well, fellows---the mail has been pretty slow, due to the rush of Christmas mail, no doubt--so we don't have any letters for you this week. For those of you who will get this paper Christmas week--MERRY CHRISTMAS TO YOU, FROM THE BYLINE!--Gladys and Warren Reeco

RON WRIGHT'S "WHAT'S THE SCORE?":

POPULAR LOCAL MATRON PASSES AWAY:

One of the largest funerals on record here in Brisbane took place at 10 a.m. Wednesday morning, December 12, 1951, at the First Baptist Church on Visitacion Avenue in Brisbane, with visiting pastor Reverend Bolshaw officiating. Bereaved friends, neighbors, and relatives of Mrs. Hazel Johnson, of 257 Mariposa Street, mourned her sudden passing when her heart failed her on Saturday afternoon, December 8th, 1951, at her home. She was 61 years of age at the time of her passing. She is survived by her husband, Ernest Johnson, of Brisbane; daughters Mrs. Lola Miles, of Brisbane; Mrs. Maxine Wells, of Glendale, Mrs. Robert Elaine, of Menlo Park; sons, Alan Johnson, of Modesto, Richard Johnson, of Stockton, Maurice Johnson, of Bridgeville, Calif., and Sgt. Keith Johnson, now stationed at Pease Air Force Base in Japan. She is also survived by her brother, Edwin McCluskey, of Alaska, and her sister-in-law, Mrs. Hazel McCluskey, of Griswold, Iowa.

Interment was at 3 p.m. on Wednesday, December 12th, at the Masonic Cemetery, in Modesto. W. A. Cook & Company, of South San Francisco, handled the funeral arrangements.

XMAS FOLDERS FREE FOR BONDS:

Attractive, full-color Christmas folders are ready now for those who plan to give U.S. Defense Bonds to their loved ones and employees as Christmas gifts, Postmaster Yvonne Ingram announced to shoppers early this week.

The folders are given free with each Defense Bond bought as a gift at all Post Offices and banks.

Slotted on the inside to hold a Bond of any denomination, the folders have a beautiful Christmas theme on the cover. There is also a space on the cover for inscribing the name of the person to whom the Bond is given.

"Defense Bonds make particularly appropriate gifts this Christmas, in view of our nation's re-armament expenditures and the need for increased individual saving in this way," the Postmaster stated.

"They're the perfect solution for those who plan to make cash or Christmas check gifts. On the very face of a Defense Bond is a value that is one-third more than the Bond costs....which makes a Bond more impressive gift than the same amount of money. But more than that, U.S. Defense Bonds are better than money gifts, for they grow in value the longer they're held.... don't wear out....and will be replaced by Uncle Sam if they're lost or stolen.

"Can you name any other Christmas present that has those qualities?" the Postmaster asked.

MUD-FLAT TEST FOR BAYSHORE:

Advertising of bids for construction of an experimental section of the Bayshore Freeway across the mud flats of the Bay from Candlestick Point toward South San Francisco has been authorized by Frank B. Durkee, public works director.

The 132 foot roadbed, which eventually will be part of the freeway system, will be six-tenths of a mile long, and will terminate in the water.

George McCoy, state highway engineer, explained that purpose of the experiment is to determine whether an earth fill alone will prove adequate, or if it will be necessary to utilize a complex and expensive system of pumping out mud and backfilling with sand. The project had been budgeted for \$402,800.

DELEGATES BEING SELECTED FOR DEMOCRATIC PRE-PRIMARY CONVENTION:

Delegates are now being selected for the first Democratic pre-primary convention in San Mateo County political history, to be held Saturday, Feb. 2nd, 1952, in either San Mateo or Burlingame.

Roy Seagraves, Burlingame attorney and chairman of the convention committee, made this announcement recently, after his plan had been officially approved by the San Mateo County Democratic Central Committee.

According to Seagraves, delegates who will be entitled to vote at the convention will be accredited from the following groups; one from each of the 544 precincts in the county; all Democratic voters registered in the county who are city, county, or state officials or who are members of the county central committee, the ninth congressional district committee, the state central and executive committees, and the national committee.

Seagraves stated that the convention will have morning and afternoon sessions. The main business during the morning will be the naming of committees, the election of permanent convention officials, the adoption of reports by committees and a keynote address by a major political figure.

The afternoon will be devoted chiefly to the nominating and endorsing of candidates for the following political offices to which San Mateo County is now entitled under the new re-districting plan: two state assemblymen, one state senator, and one United States Congressman..

SOME CHRISTMAS GIFT SUGGESTIONS:

Still can't decide what to get that "certain" somebody, oh? Well, once again we took time out to make a little trip down the main street of town, and here's some items which caught our eye:

at LAINE'S, we were impressed by the huge lot of Story Book dolls, and by the steam-rollers, etc., and by the candy-filled Xmas stockings, for the busy or lazy parents who must make like Santa Clause.

at the BRISBANE LIQUOR STORE, we sighed and wished over the clever contraptions they have for the people who entertain a lot. There's also a cute item consisting of a container in a bright color, looking very much like a toothbrush holder, but that's not what's in it! It holds a knife, fork, and spoon, plus a can-opener, which would be just the thing for that Boy Scout, Cub Scout, or Ranger.

at the HILLSIDE PHARMACY, the beautiful boxes of Whitman's candies, including the Samplers and the Miniatures and the gift items of cosmetics, etc., made us feel more Christmasy than ever.

Ruth Cross has a beautiful variety of women's and children's wear, plus a lot of toys, children's books, and so forth.

the windows of BOB'S HOBBY SHOP are filled with wonderful suggestions for that "hard-to-buy-for" boy or teen-ager.

I talked to ELSIE VON SCHEVEN on Wednesday of this week, and she said the long awaited Christmas order had finally arrived, and she was just about to unwrap seeds of toys and things for the little folks--and then there's the crocheted and plastic items for the lady of the house!

the BRISBANE HARDWARE STORE is featuring that new Descoware, which we are seeing advertised all over the Bay area. And for the man of the house--there's guns and rifles and tools and toothbrushes, and many other items. Good gift suggestions there, too, for the dog or the cat in the family!

CHUCK'S SERVICE and G & R SERVICE are both featuring accessories for dad's car, or for kid brothers! and I see that G & R has in a line of Christmas Trees which should satisfy any young heart on Christmas morning! Reasonable, too. They have them from \$1.50 to \$3.50 in the fir--and the silver-tip spruce at much less than city prices.

Now, before I run out of breath, and space--let me tell you about the fine thing some very nice lady here in town has done. Mrs. Chuck May, Jr., via telephone the other day, presented us with three used tricycles--badly in need of paint, of course--but she said we could give them away to any family who can't afford to buy a tricycle for their child. Get in touch with the BYLINE

if you know of a child who wants a trike for Xmas!

CHRISTMAS IS WHERE YOU SPEND IT!

During my first Christmas in Texas, I was loquaciously nostalgic about the snow-draped trees, the sparkling ice, and the sharp wintry air of my native Wisconsin, completely ignoring the poinsettias, mistletoe, and other traditional Christmas decorations growing all about me. Finally the patience of a Texas grandmother splintered. "That certainly sounds charming, my dear," she said sweetly, "But whatever gave you the idea that Jesus was born in a snowstorm?"--by Suzanno Diehl, in

"Life In These United States" page of December's Reader's Digest.

XMAS OPEN HOUSE AT BRISBANE SCHOOL:

This year's Christmas Open House will be held from 7:30 to 9:30 p.m. on Wednesday evening, December 19th, at the Brisbane Elementary School. Parents are invited and urged to attend the Open House, and to look in upon every classroom to see the type of work done by each grade, and to meet their children's teachers and discuss little problems which may have arisen during the past term.

A program will be presented in the school auditorium, with the Brisbane P.T.A. Glee Club Quartett and the school orchestra providing the entertainment. Refreshments will be served by the members of the Brisbane Parent-Teacher's Association.

LEGION & AUXILIARY TO HOLD XMAS PARTY:

All local veterans and their families are invited to attend the American Legion Post #473 and Auxiliary annual Christmas Party and Pot-Luck Dinner. Each lady who expects to attend is asked to bring a covered dish, and join in the fun. Most dishes will be furnished by the Auxiliary, Unit #473. Santa Clause will be there for the children, and there will be music for dancing. Time of the dinner will be at 6:30 this coming Saturday evening, December 15th. Those who plan to attend are asked to call Mrs. Virginia Woodard at Delaware 3-7905, giving number in party, and name of the dish you will bring. The party will be held, as usual, at the American Legion Hall on Visitation Avenue in Brisbane.
